ON BEHALF OF ESPO

**ON BEHALF OF
LLOYD'S REGISTER ROTTERDAM**

[Handwritten signature]
Lloyd's Register
LRQA

A PERS certificate is the confirmation that the PERS requirements have been evaluated and met. However, because the review is based on third hand information, a PERS certificate is not a value judgement of the port environmental management system and its performance, since these have only been evaluated on the basis of documents supplied by the port.
